This Approval is granted subject to observance of the following conditions:-

1. The design and construction of the equipment shall be strictly in accordance with description, condition and drawings as mentioned in the Sira Certification Test Reports referred to above
2. The equipment shall be used only with approved type of accessories and associated apparatus
3. The equipment shall be used only in conjunction with the approved Flame Proof/Non Sparking/Intrinsically Safe barriers
4. Each equipment shall be marked either by raised lettering cast integrally or by plate attached to the main structure to indicate conspicuously
   (a) Name of the manufacturer
   (b) Name and number by which the equipment is identified
(c) Number & Date of the test Report of the Sira Certification applicable to the equipment
(d) CCEs Identification Number of this letter by which use of the apparatus is approved

5). A certificate to the effect that the equipment has been manufactured strictly in accordance
with the drawing referred to in the Sira Certification test report and is identical with the one
tested and certified at Sira Certification shall be furnished with each equipment

6). The customer shall be supplied the copy of this letter, an extract of the conditions and
maintenance schedule, if any recommended by Sira Certification in their test reports and
copy of instructions booklet detailing operation and maintenance of the equipment so as to
maintain its Intrinsically Safe safety characteristics

7). The After sales service and maintenance of subject equipment shall be looked after by your
representative M/s. Pepperl Fuchs (India) Pvt. Ltd.,No. 546/1, Ground Floor, 7th Main, 4th
Phase, Peenya Industrial Estate, Bangalore, BANGALORE (Distt.) Karnataka (State)

This Approval also covers the permissible variation as approved under the Sira
Certification test report referred above. This approval may be deemed to have been revoked
with immediate effect at any time, if any of the conditions subject to which approval has
been granted is violated or not complied with. The approval may also be amended or
withdrawn at any time, if considered necessary in the interest of safety.

The field performance report from actual users /your customers of the subject
equipment may please be collected and furnished to this office for verification and record at
regular intervals.

This approval is otherwise valid a period of five years from the date of issue.

Yours faithfully,

(V. B. MINJ )
