Pepperl+Fuchs SE declares that the products are only affected by minor or formal changes with respect to the new edition of the standards. These changes are not relevant for compliance with the essential health and safety requirements. The products still comply with UK SI 2016 No. 1107. This declaration is also valid if the marking and the certificates of the listed devices correspond to previous editions of standards.

ANNEX UK SI 2016 No. 1091 (EMC)

The products listed above fulfill the immunity test requirements for equipment intended for use in industrial locations.
