## PACTware Installation guideline

Download the required "**DTM collection**" from our Product Selector to your Computer.

Unpack the **"zip"** file with a suitable software programme e. g. Winzip or Total Commander.

When the "zip" file is unpacked the directories "PACTware\_setup\_shell", "PW2\_setup\_hart", "PW2\_setup\_level", "PW2\_setup\_PTP", "PW2\_setup\_remote" and "Readme" will be generated.

In the same directory there is also the file "Autorun.exe" Doubleclick to Autorun.exe and select at first "PACTware 2.0 FDT 1.2" to install the PACTware Frame Application.

	<b>PACT</b> ware
Readme.htm         1. PACT ware 2.0 FDT 1.2         2. Level DTMs         3. Point to point DTMs         4. Point to bus HART DTMs         5. Point to bus Remote I/O DTMs	1. PACT ware 2.0 FDT 1.2 Installs PACT ware 2.0 FDT 1.2 application on your PC. There are no DTMs included.
Install selected application(s)	
<b>Quit</b>	

You will be asked now if you want to install **"PACT***ware* **2.0**". Confirm with **"Ja**".

Select the required language an confirm with Next.

Select **"PACT***ware* Edition2 Application" and **"PACT***ware* Default Password". Confirm with "Next".
