

Dimensions

Model number

VAZ-BRIDGE-BU/BN60MM/0,75-100

Jumper for switch cabinet modules with spring terminals or screw terminals

Features

- For bridging AS-Interface and AUX from one module to the next

Technical data

Electrical specifications

Nominal voltage	48 V
Current loading capacity	8 A at 40 °C DIN VDE 0298 Part 4 HD 516/VDE 0298-300

Ambient conditions

Ambient temperature	-30 ... 80 °C (-22 ... 176 °F) fixed
---------------------	--------------------------------------

Mechanical specifications

Core cross-section	Fine-stranded copper 0.75 mm ²
Material	
Core insulation	PVC
Cable	H05V-K, rated voltage 300/500 V
Color	brown, blue
Connection possibilities	Suitable for spring terminals and screw terminals
Cable length	60 mm
Flammability	
Cable	Flame-retardant as per IEC 60332-1-2
Note	100 blue and 100 brown jumpers per packaging unit
