

Printed circuit board

Modul 4

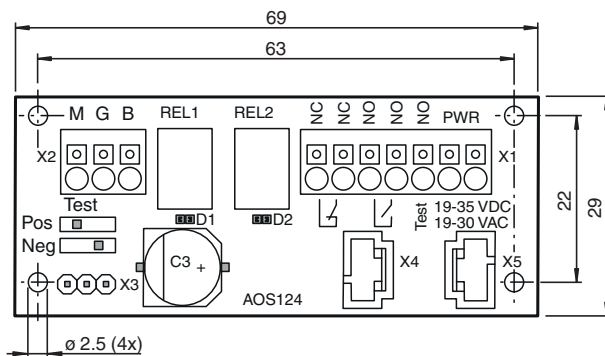

- Safety category 2 with testing
- for one photoelectric closing edge
- Reversion output
- All door leaf components are simple to wire
- Test input
- LED display indicators

Printed circuit board

Dimensions

Technical Data

General specifications	
Marking	CE
Mechanical specifications	
Connection	screw terminals , lead cross section 2 x 1 mm ²
Mass	approx. 105 g
Dimensions	
Height	16 mm
Width	69 mm
Depth	29 mm
