

# Accessory DGE

## ShieldScan-IOM-SSR V1.1

- Spare part
- SSR: solid-state relay

IO module for ShieldScan-SSR

### Dimensions

### Technical Data

|                                  |                                             |
|----------------------------------|---------------------------------------------|
| <b>Output</b>                    |                                             |
| Signal output                    | solid-state relay , short-circuit protected |
| <b>Mechanical specifications</b> |                                             |
| Mass                             | approx. 6 g                                 |
| <b>Dimensions</b>                |                                             |
| Height                           | 8.9 mm                                      |
| Width                            | 25.6 mm                                     |
| Length                           | 53.5 mm                                     |
| <b>Suitable series</b>           |                                             |
| Series                           | ShieldScan                                  |
